Minutes of the Carlisle Township Board of Trustees
Special Meeting
December 9, 2019

The Carlisle Township Board of Trustees met on December 9, 2019 at 8:03 AM in a Special Meeting. In attendance: Trustee Berry Taylor, Trustee Jared Smith, Fiscal Officer Kimberly Fallon, Administrative Assistant William Oliver, and Assistant Prosecutor Jerry Innes. Republic Services Representatives for in attendance to discuss the pending Composting Facility next to the Landfill.

Republic Services withdrew their plans to move forward with the proposed Composting Facility next to the Landfill. The acreage needs to be in SW1 and not LI1. It can go back to the Lorain County Planning Commission in January, followed by the Zoning Commission in February, and finally to the Trustees in March. A survey should be performed and an evaluation of the frontage being more off Butternut Ridge Road.

Trustee Smith stated that the biggest concern of the residents is expansion of the landfill. Any odors shouldn't be an issue as the facility will be 1,400 feet away from any residents, which is more than the 250 feet required.

There being no further business, Trustee Taylor motioned to adjourn at 8:25AM. Trustee Smith seconded; roll call, all ayes, motion carried.
