CARLISLE TOWNSHIP SNOW REMOVAL POLICY

Township roads will be plowed when there is sufficient accumulation to warrant it.

If a street or road has a vehicle or vehicles parked on it so that the snowplow operator cannot pass safely, it will not be plowed until the vehicle or vehicles are moved.

Salting Policy

The Township **does not** have a bare road policy like the State of Ohio or Lorain County does. Straight-aways will be plowed but may be slippery. Hills, curves, and intersections on Township roads are salted when icy conditions exist. If it is snowing heavily, salt will not be spread until snowing stops.

In all matters of snow removal and salting, the operator will do what he/she thinks is best according to conditions at the time.

Plowing Routes

These routes are the normal routine, but may differ according to road, traffic, or weather conditions and other variables such as drifting snow, Sheriff's reports, accidents, etc.

When extreme weather conditions exist, plowing will be directed to the roads most in need of immediate attention. The operator shall use his/her discretion as to the order in which they are plowed.

East Side

Robson Road, River Ridge Court, Arbor Court, Bear Creek Drive, Esther Drive, Prospect Street, Overlook Drive, Edgewood Drive, Lakeview Drive, Meadowbrook drive, Brentview Drive, Georgette Drive, Waterfall Drive, Grover Court, Yunker Court, Jerrol Court, Mardun Court, Southwood Drive, Hope Court, Kelser Court, Ryan Drive, Miller Court, Oakwood Street, East River Road, Aspen Court, Briarwood Court, Rosemere Street, Rosemere south section, Penny Lane, betty Lane, Carol Lane, Robert Lane, Calann Drive, Garford Street, and Riverwood Drive.
